WHAT IS A BADGE?
Think of a badge from Acclaim as a verified, web-enabled achievement that can be shared across the web in a secure and validated process.

WHAT IS ACCLAIM?
Acclaim is a new badging platform developed by Pearson, the world's largest education company. Acclaim partners with organizations to provide a web-enabled, verified version of your achievements.

3. Once you have completed the Account Creation steps, you can finalize the accepting of your badge.

YOUR EMAIL IS CONFIRMED.

Now, accept your pending badge.

GIAC Security Essentials (GSEC)
The GIAC Security Essentials certified professional demonstrates an understanding of information security beyond simple terminology and concepts, making them qualified for IT systems roles with respect to security tasks. Security Essentials requires knowledge of viruses and malicious code, incident handling fundamentals, vulnerability scanning, and more.
